MEMORANDUM FOR THE RECORD

SUBJECT: Iklé and Company Meeting

Attendance: attached.

Iklé brought up and discussed:

MBFR, with respect to verification means including national technical means, attaches, etc. and the need to establish broad principles as to what might be considered as verification means as we understand MBFR needs better.

CTBT, with respect also to verification means and especially contact among scientists of several nations, [redacted] [redacted] CW was mentioned peripherally in this context.

Economic Statistics Exchange, during which he regretted the fact that there is in USG no focal point of responsibility for exploiting possibilities for exchange with USSR.
